Subject: RE: Invitation Letter - Parking on verges workshop

Dear Sarah

I wish to confirm that I will be attending the Parking on verges workshop on 12 February on behalf of OSCAR.

We look forward to taking part in this welcome SCRC initiative.

In light of the requirement in the invitation letter (*"It is Council's expectation that any representative is able to speak authoritatively on behalf of your organisation and be able to address robustly the issues, impacts and considerations for your members in respect of the matters under consideration."*) OSCAR has sought, and received, comments from a number of our member organisations and individuals which have been comprehensive and thoughtful.

These are still coming into us (as in some cases member organisations need to have a meeting to discuss this matter which has proved a bit difficult at this time of the year). Therefore I am not in a position to provide you with the requested submission at this stage. I may be able to provide you with some of the internal correspondence we have received to date to give you an indication of the range of views being expressed but that would not represent the formal view of OSCAR at this stage.

Would that be useful?

Can you advise how much time is being allocated to each participant at the workshop and whether we would be able to use a PowerPoint presentation?

Of course such a presentation, and our final submission, would be made available to you after the workshop.

Best wishes ... Greg
