Subject: RE: ITC Committee - Public hearing - Sunshine Coast, 3 May

Hi Greg,

Thank you very much for checking in.

I have a representative of OSCAR scheduled to participate in a round table discussion between 10.40 am and 11.40 am. The venue will be the Council Room in the Chancellery (Building C on the USC campus). I am hoping to send out formal invitations with finalised details by the end of the week (I'm still awaiting responses from a few organisations).

Let me know who will be representing OSCAR when you have confirmed participation.

Kind regards,

Sam

Dear Samantha

As I indicated to you when we spoke on the telephone, I am unable to attend the ITC Public Hearing on the Sunshine Coast on Thursday, 3 May 2018.

We are keen to be involved and will send a representative however.

Are you able to provide more details as to time and venue?

Once we have these details I will advise you who will be attending on OSCAR's behalf.

Greg Smith
President, OSCAR

Subject: ITC Committee - Public hearing - Sunshine Coast, 3 May
Importance: High

Good afternoon,

INVITATION TO PUBLIC HEARING – SUNSHINE COAST THURSDAY 3 MAY

As you may be aware, the [House Standing Committee on Infrastructure, Transport and Cities](#) is currently conducting an inquiry into the Australian Government's role in the development of cities.

The inquiry is investigating how the Australian Government can promote the sustainable development of regional centres like the Sunshine Coast, including:

- promoting the development of regional centres and master planning of regional communities;
- promoting private investment in regional centres and regional infrastructure;
- promoting the competitive advantages of regional location for businesses;
- examining ways urbanisation can be re-directed to achieve more balanced regional development; and
- identifying the infrastructure requirements for reliable and affordable transport, clean energy, water and waste in a new settlement of reasonable size, located away from existing infrastructure.

Full terms of reference are available on the [Committee's website](#).

As part of the inquiry the Committee is arranging a public hearing in the Sunshine Coast on Thursday 3 May 2018. A range of organisations will participate in the hearing to provide further evidence to the inquiry.

On behalf of the Committee, I'd like to invite yourself, or alternative representatives of the Organisation Sunshine Coast Association of Residents (OSCAR) to participate in this hearing. Is there a convenient time I could give you, or your support staff, a call to discuss?

Kind regards,

Samantha Leahy | *Senior Researcher*
