Subject: RTI request from OSCAR

Dear Right to Information Officer

OSCAR is contemplating making a RTI application for a number of Council documents. A decision on whether to proceed with the application will be made on Thursday, 26 April 2018 at our monthly meeting.

If the members vote to proceed I would like clarification of the following:

- The non-refundable application fee is \$48 and can be payable by cash or credit card when the documents are lodged – we are not in a position to pay by cheque.
- The application documents (RTI Application form and attachment/s can be lodged in person at one of the Council's offices as well as being provided electronically.
- Once the application form and fee have been received by Council and processed we would be advised of the potential cost of proceeding with the application based on a processing fee of \$7.45 per 15 minutes before we commit to proceeding.

Any other relevant advice you can provide would be appreciated.

Yours sincerely ... Greg Smith
