Hi Greg

Your query is timely .

A draft list of actions since the verge parking workshop has been prepared for Councillors.

The Group Executive in charge of regulated parking will be validating those actions with councillors this week .

After that validation he will be able to advise you of the actions.

If you have any further questions on this matter please contact James Ruprai.

Regards

Mike

Dear Mike

Are you able to give me an indication of progress following the 12 February Verge Parking Workshop?

Is there a timeframe on recommendations and/or further action that I could report to OSCAR's members?

Best wishes ... Greg
