**Subject: April Ordinary Meeting listed confidential items**

Good Afternoon Greg

In response to your email of 9 April 2018, I provide the following for your information.

### **April Ordinary Meeting confidential items**

11.1.1 Sunshine Coast International Broadband Network Project - this report may include details relating to finances and operations of the project which, if made public could compromise Council's negotiation position on behalf of the community.

11.2.1 Proposed Land Acquisition – Yandina Creek – this report may include information that impacts on properties and investments and if made public, may prejudice the interests of Council and thereby the community. Price ranges and addresses of properties may be mentioned.

11.3.1 Mooloolaba Land Acquisitions – this report may include information that impacts on properties and investments and if made public, may prejudice the interests of Council and thereby the community. Price ranges and addresses of properties may be mentioned

11.4.1 Historic Cultural Heritage Study Implementation – this report may include information relating to potential action against specific owners of properties to be taken by Council under the Planning Act.

### **March Ordinary meeting additional confidential late items**

11.1.2 Sunshine Coast Airport Expansion Project – Design and Construction Contract Award – this report may have included details relating to finances and operations of the project, which if made public could compromise Council's negotiation position on behalf of the community.

11.1.3 Sunshine Coast International Broadband Network Project - this report may have included details relating to finances and operations of the project which, if made public could compromise Council's negotiation position on behalf of the community.
