Dear Greg,

Thank you for your enquiry detailed in the email below.

The business units of Council are Waste and Resource Management, Sunshine Coast Holiday Parks and Quarries Business Unit. As noted in the Debt Policy, Council operates a central treasury model and as such does not generally provide debt funding for specific projects or assets but rather uses debt funding to finance Council's balance sheet, with the exception being strategic projects.

Kind Regards

Sandy

Subject: Clarification of 2018/2019 Debt Policy

Hi Greg

In the table headed *Schedule of proposed external borrowings* (page 60 of 199 – Appendix A 2018/2019 Budget Adoption Papers) one of the line items refers to SCRC Business Units.

Can you advise what are the Business Units covered in this item. A breakdown of the borrowing figures for each of these Business Unit would also be appreciated.

Best wishes ... Greg
