Mr President

Thanks for your note regarding confidential sessions.

I note our CEO has responded to you in detail.

From time to time I do vote against going into confidential session.

The decision to actually go into confidential session is always decided by full council, this must be respected.

I am absolutely certain we have this process 100% right, I may occasionally not agree, but the process is spot on.

In fact., late last year I requested we go into confidential session on an open item, it was appropriate and supported by my colleagues.

Mr President, I thank you again for your email

Take Care

Have a great Australia Day.

Jason

Kind regards,

Cr Jason OPray | Division 8
