**Subject:** Attachment to Meeting Minutes of General Meeting held on 23 May 2019

Dear Sir/Madam,

I am writing to correct a misrepresentation of comments made by myself at the Tinbeerwah Community meeting held on 27 April 2019, and incorrectly reported to your General Meeting in a report prepared by Mr. Mark Jones.

In his report, Mr Jones alleges that I indicated that I was “shocked at the apparent lack of consultation” associated with the 2014 EIS process.

As a matter of fact for the record, what I indicated was that I was shocked at the lack of knowledge of the consultation process.

I went on to advise that Sunshine Coast Council had gone to considerable lengths to ensure that the consultation process associated with the EIS in 2014 and 2015 was advertised extensively.

I request that your records be corrected and that members are advised on the facts of the matter.

Regards

*Ross*
