Dear Greg

Urban Development Investigation Area – Request for Information

I refer a number of requests that have been recently received by Council requesting a copy of the State government's response in relation to the Palmview Urban Development Investigation Areas.

The response from the State government is included in the package of information to be considered by Council in making its final determination with respect to the Palmview Urban Development Investigation Areas. This package of information will be made publicly available when Council has made its final determination in accordance with the contractual arrangements set out in Special Condition 2 of the Palmview Infrastructure Agreement.

The final assessment report for Urban Development Investigation Areas is intended to be considered by Council at the Ordinary Meeting to be held on 20 June 2019.

Should it proceed, the report will be available to download from midday onwards on the 14 June 2019, via <https://www.sunshinecoast.qld.gov.au/Council/Council-Meetings/Meetings-Minutes-and-Agendas>.

Please do not hesitate to contact me on 0458 822 331 should you have any queries.

Yours sincerely

Leah Bancroft

Project Manager
