Dear Mr Smith

Thank you for your letter of 24 May 2019 regarding the governance arrangements for the proposed business case for the integrated urban public transport solution for the Sunshine Coast (the Sunshine Coast Business Case). I have been requested to reply to you on behalf of the Premier and Minister for Trade and I apologise for the delay in responding.

Your concerns regarding the unbiased development and consideration of public transport solutions and community engagement into the proposed Sunshine Coast Business Case are noted. The Queensland Government is committed to planning and delivering affordable and sustainable public transport infrastructure for the Sunshine Coast.

I note that you have also written to the Honourable Mark Bailey MP, Minister for Transport and Main Roads on this issue. The integrated transport solution for the Sunshine Coast falls within the Portfolio responsibilities of the Minister for Transport and Main Roads, and the Premier has asked the Minister to consider the matters you have raised in your letter and respond directly to you.

Again, thank you for taking the time to write to the Premier.

Yours sincerely
