Dear Greg

Thank you for your below email enquiry received on Friday 23 August.

Attached you will find a table showing the status of the scheme amendments that have been publicly exhibited. Council staff are not proposing to recommend exhibiting any scheme amendments before March 2020.

Please note that Council or the Minister may make decisions in the future regarding planning scheme amendments which my staff and I am presently unaware of.

Subject: Planning Scheme Amendments

Dear Mike

We note that the Council has just commenced the public response period for the Historical Cultural Heritage Planning Amendment.

OSCAR has been invited to a briefing on this amendment next week and as always we appreciate and welcome the opportunity to hear from Council staff.

At our Ordinary Meeting last night I was asked to write to you to enquire whether there are any more Planning Scheme Amendments in the pipeline from now until the Council Elections in March 2020.

If so can you advise what these amendment instruments are and when they will become public?

Best wishes ... Greg
