Dear Ayllie

RE: Membership of the Sunshine Coast Airport Community Aviation Forum

The Organisation of the Sunshine Coast Association of Residents (OSCAR) is a non-partisan and not-for-profit umbrella/peak organisation covering resident and community organisations on the Sunshine Coast and Noosa local government areas (LGAs) in South East Queensland.

OSCAR has been an active participant in community engagement activities undertaken by the airport and associated entities. Previously I have spoken to you in relation to the report to SCRC re the Masterplan. OSCAR used to have a member on the community Aviation Forum, but that ceased when Tony Gibson relinquished that position. Our recommendation was at that time, that as a number of our member groups had representatives at the Forum, OSCAR as an organisation perhaps did not need to specify a representative.

It is our understanding that at one of the Forum meetings last year a question was asked in relation to OSCAR's submission to the Airport Masterplan. Members of the Forum were told that the submission could not be discussed as OSCAR was not a member. In order that such a situation be avoided into the future, OSCAR is seeking a seat on the Community Aviation Forum as previously.

OSCAR is nominating Richard Dennis from Seaside Shores Community Association as its representative to the Community Aviation Forum. We ask for a report at each OSCAR meeting, from the Forum and nominating Richard will allow him to both report to our meetings and comment on issues from an OSCAR perspective at the Community Aviation Forums.

We look forward to your response.

Yours sincerely

Melva Hobson PSM

President OSCAR
