Dear Melva,

Thank you for your recent correspondence.

For the most part, the questions you have asked are best directed to Sunshine Coast Airport, who will be able to provide site and planning details in their capacity as the developer of the Precinct within which Turbine is to be delivered.

Turbine does not have a CEO; however, I am the Chair of the Turbine Board and would be happy to meet with you to discuss the Project.

Feel free to contact me on the details below.

Kind regards,

Mark Peters
Chair
