Good morning Melva

I note, in his letter of 17 October, Mr Mark Peters, Chair of the Turbine Board has offered to meet with you.

I would very much like to attending this meeting with you once it is arranged as I am interested in the responses to the queries you've outlined in your correspondence to FAN.

Please inform my office of the meeting details once you have agreed on timing and location:
division8@sunshinecoast.qld.gov.au

Regards

Jason.

Dear Jason (for response) and Emma (For Your Information)

Please find attached correspondence to and from OSCAR and the Turbine Board Chair. re the Turbine Precinct proposed for the Airport site. I did send the letter to Emma Greenhatch at FAN but have not received a response. Obtaining email addresses for the Turbine Precinct Project has been well nigh impossible, with Kylee Ezzy from the SCAP forwarding the letter to the Turbine Chair. I have also attached his response!!

Jason, OSCAR members are very concerned about this project, adjacent to a residential area and also a tourism focus area. As the Divisional Councillor for the airport site and given your enthusiastic support for the Airport being declared a PDA, we feel it is part of your responsibility to be up-to-date on the activities at the airport.

Information about this project is superficial and it would appear that no-one associated with the project is prepared to put any details in writing. I have searched the internet for details but can only find the hype.

We would appreciate your response to the questions asked in the letter or advice as to where OSCAR can find more written details.

Regards

Melva Hobson

President OSCAR
