Community engagement

Between **21 October and 18 November 2024**, community members were invited to provide feedback on the [draft Shorebird Conservation Plan 2025-2030](#) and learn more about our Shorebirds.

We received 752 contributions on Have your Say Sunshine Coast. Thank you to everyone who had their say and provided input. We appreciate your patience while the community feedback was collated, analysed and reviewed.

A summary of the engagement findings is now available on the [Have your Say Sunshine Coast](#) project page.

Next steps

Your valuable input will assist Council to finalise the draft Shorebird Conservation Plan 2025-2030.

The draft Shorebird Conservation Plan that incorporates community feedback from the community consultation has been peer reviewed by subject matter experts and will be presented for consideration by Council at a Council Ordinary Meeting in late 2025 (dates to be confirmed).

Project information, timelines and relevant documents are included on the [Have your Say Sunshine Coast](#) project page.
